Dear Unitholder,

Following the merger of Pioneer Investments with the Amundi group in July 2017, Amundi has consolidated its position as the market leader in Europe and among the top ten asset management companies globally.

We are now undertaking the final phase of an integration process which aims to deliver, through fund mergers and rationalisation, a focussed and enhanced product range with strength and depth across all asset classes.

The Board of Directors of Amundi Luxembourg S.A., the management company (the "Management Company") of Amundi Funds II (the "Fund"), is writing to inform you of changes to the Fund as detailed below and as a consequence of which sub-funds of Amundi Funds II will be consolidated into sub-funds of Amundi Funds.

You have a **variety of options**, which are explained in detail below. Please carefully review the information provided.

You may access additional documents about Amundi Funds II and Amundi Funds at [www.amundi.lu](http://www.amundi.lu) and at the Management Company's registered office.

Yours faithfully,

Julien Faucher,  
for the Board of Directors of the Management Company

## 01 Sub-Fund Mergers

### KEY FACTS OF THE MERGERS:

#### BACKGROUND:

The principal aim of the fund mergers is to focus the investment capabilities of the enlarged Amundi group which resulted from the merger of the Amundi and Pioneer Investments groups. The mergers will enhance the Amundi range of funds available to investors and to provide opportunity for efficiencies and economies of scale. The sub-funds of Amundi Funds II will be consolidated into sub-funds of Amundi Funds.

Appendix I lists the sub-funds of Amundi Funds II ("Merging Sub-Funds") which will merge into sub-funds of Amundi Funds ("Target Sub-Funds").

#### MERGER DATE:

The Merger Date for each Sub-Fund is shown in Appendix I.

#### COSTS AND EXPENSES OF THE MERGER:

The costs and expenses of the merger will be borne by the Management Company, except banking and transaction related costs.

#### APPLICABLE LAW AND RULES:

The merger complies with Chapter 8 of the law of 17th December 2010 on undertakings for collective investment, as amended and Article 21 of the management regulations of Amundi Funds II as well as Article 30 of the Articles of Association of Amundi Funds.

## MERGER PROCESS

### PRIOR TO THE MERGER:

During the period commencing 4 business days before the Merger Date, the investment manager of the Merging Sub-Funds may rebalance and align the investments of those Sub-Funds with the investment objective and policy of the Target Sub-Funds. As a result, the portfolio or performance of the Merging Sub-Funds may be materially affected.

This will not affect the investment management of the Target Sub-Funds.

### WHAT HAPPENS ON THE MERGER DATE:

On the Merger Date, each Merging Sub-Fund will transfer all its assets and liabilities to the Target Sub-Fund. As a consequence, the Merging Sub-Funds will cease to exist.

In exchange for your units ("Units") of the relevant unit class ("Unit Class") of a Merging Sub-Fund, you will receive a number of shares ("Shares") of the relevant share class ("Share Class") of the Target Sub-Fund equal to the number of Units held in the relevant Unit Class of the Merging Sub-Fund multiplied by the relevant exchange ratio. Fractions of Shares shall be issued up to three decimals.

The exchange ratio will be calculated either on the basis of a 1/1 ratio calculated on the net asset value of the Units of the relevant Unit Class of the Merging Sub-Fund dated as shown in Appendix I, or, when a 1/1 ratio is not applicable, by dividing the net asset value of the Units of the relevant Unit Class of the Merging Sub-Fund dated as shown in Appendix I by the net asset value of the Shares of the relevant Share Class of the Target Sub-Funds having the same date. On the Merger Date, you will become a Shareholder of the relevant Target Sub-Fund.

No cash payment will be made as part of the exchange of Units of the Merging Sub-Funds into Shares of the corresponding Target Sub-Funds.

### MERGER REPORT:

The Auditor of Amundi Funds II will issue a merger report, which will be available free of charge at the registered office of the Management Company.

## IMPACT OF THE MERGER

**A detailed comparison of the Merging and Target Sub-Funds is shown in Appendices II and III which you will find on [www.amundi.lu/](http://www.amundi.lu/). Please read the Key Investor Information Documents relating to the relevant shares of the Target Sub-Funds, which are also available at [www.amundi.lu/](http://www.amundi.lu/).**

### FEATURES OF AMUNDI FUNDS II AND AMUNDI FUNDS:

The features of Amundi Funds are similar to those of Amundi Funds II except that Amundi Funds II is established under the form of a mutual funds (*fonds commun de placement*) and Amundi Funds is established under the form of a société d'investissement à capital variable (SICAV). Shareholders are entitled to vote at general meetings of Amundi Funds and the annual general meeting is generally held in Luxembourg at 11:00 AM CET on the last Friday of October each year, or if that is not a business day (as defined in this prospectus), then the next business day. Resolutions concerning the interests of all shareholders generally will be taken in a general meeting. Those concerning the rights of the shareholders of a specific sub-fund, share class or share class category may be discussed in a meeting of those shareholders only. All general meetings will be convened by distributing meeting notices to you. Decisions will be taken if approved by a majority (either a two-thirds majority or a simple majority, as required by law and by the Articles of Association of Amundi Funds) of those shares that actually vote on the matter, whether in person or by proxy. Each share gets one vote in all matters brought before a general meeting of shareholders. Fractional shares do not have voting rights.
